12:01:05 From Eri Mitchem - Wichita, KS : Definitely. I'm glad someone mentioned ON in a webinar earlier this year

12:03:40 From Susette_TeamON : 💬 Turn to page Page 51 of your Hypebook for the Manifesto Maker - <https://officeninjas.com/hypebook>

12:04:48 From Eri Mitchem - Wichita, KS : anyone else "bad" at these?

12:05:06 From Ginger Berry : me

12:05:15 From Leslie Parker : me!

12:05:16 From Suzanne Mullins : me

12:05:26 From Raschelle Mullette : For sure! Horrible at it, but still willing to try.

12:05:28 From Kristin_Host : Eri, just focus on one question at a time and do a word vomit!

12:05:32 From Eri Mitchem - Wichita, KS : Oh, good; i'm not the only one.

12:05:41 From Kristin_Host : That's the spirit, Raschelle!

12:05:50 From Justine : agree with word vomit ^ haha, edit later.

12:05:52 From Raschelle Mullette : I feel like a weekend "retreat" would be in order to really get this done. Lots of me time to reflect without pressure.

12:05:53 From Jackie - Des Moines, IA : Yes. Inner reflection is difficult for people who tend to be helpers/supporters or people pleasers. Just give it a shot, not grading or expectations here. You got it!! ;-)

12:06:06 From Sarah_Host : Yep, just start with the first prompt and see what pops into your head

12:06:13 From Kristin_Host : Raschelle, too true. Today is just the starting point!

12:06:16 From Raschelle Mullette : @Jackie yep! That sums it up nicely.

12:06:30 From Kristin_Host : Tell 'em, Jackie!

12:06:48 From Joanna_TeamON : Just give it your best go – there's no right or wrong!

12:07:41 From Joanna_TeamON : Plus, you can always use this time to get started, and return to it later with some further introspection, if you like!

12:07:46 From Colette Hughes : I wrote my manifesto last fall when my husband passed. I was not going to let grief overwhelm me. I have lost weight, put more energy into my work and just yesterday went on my first solo Harley ride. I am always talking to other admins to go for the gusto and if there is something you want to accomplish don't let anything stop you. I had a food service worker come to last fall and I had not seen her in 3 years. She thanked me for encouraging her and now she is an office manager.

12:08:11 From Nicole Carvajal : 🎉🎉🎉🎉🎉🎉 @colette H. You go girl!!

12:08:29 From Jackie - Des Moines, IA : @Colette - you are inspirational!! Way to go!!

12:08:58 From Brandie - Greenville, NC : I worked on a personal strategic plan 2 years ago - mission, vision statements, and core values. It was a catalyst for change for me and it has benefited me so much! Everything I do runs thru this plan and it is visual so i see it everyday - game changer!

12:09:00 From Julie - San Jose, CA : Amazing, Colette!

12:09:05 From Kristin_Host : Oh, Colette. Wow. What an inspiration. Congratulations on your exciting accomplishments. Your husband would be so proud of you.

12:09:53 From Melissa B - Schaumburg, IL : Brandie, that's impressive. Did you do that on your own?

12:09:54 From Nicki B - Chicago, IL : So awesome @brnadie

12:10:03 From Leigh Jones-Gibson : #inspired - Collette & Brandie!

12:10:05 From Colette Hughes : Plus I will be 64 this July and 35+ years as an admin professional!

12:10:23 From Nicki B - Chicago, IL : 🙌🙌🙌

12:10:35 From Kristin_Host : YES, Brandie!! Taking the time to create a powerful plan is 100

12:10:37 From aletab : WOW Colette! Way to go!

12:10:44 From Joanna_TeamON : Brandie, what a great idea, and how wonderful to see it paying off!

12:11:05 From Marie-Farmington, Utah : I love the tenure and experience in this group!

12:11:16 From Sarah_Host : What a great exercise to do personally and repeatedly Brandie. Such a positive and actionable step.

12:11:24 From Leigh Jones-Gibson : Sorry to miss a portion of this, was having work done in my office space and they just left.

12:12:50 From Melissa B - Schaumburg, IL : No worries, Leigh! go to pages 51-53 on your hypebook!

12:13:23 From Susette_TeamON : 🕒 2 more minutes to work! Then we'll take some time for group sharing.

12:13:36 From Nicki B - Chicago, IL : I thought @Sarah_Host was popping champagne for a second there!! Just water bottle :)

12:13:38 From Julie I. : Anyone else wish they had started this career path sooner in life? 🤔 I really love it!

12:14:01 From Kristin_Host : Nicki, but do we really know what's in that water bottle????

12:14:09 From Raschelle Mulette : 🤔

12:14:13 From Eri Mitchem - Wichita, KS : @Julie - same!

12:14:14 From Sarah_Host : That would be awesome Nicki B. BUT also, how do you know it's NOT Champagne

12:14:16 From Julie I. : 😊

12:14:21 From Nicki B - Chicago, IL : hahah yessss

12:14:24 From Brandie - Greenville, NC : I wish I had "embraced" this career path much sooner than I did!

12:14:26 From Nicki B - Chicago, IL : great minds think alike

12:14:45 From Nicki B - Chicago, IL : I definitely stumbled into the Admin career path and am so thankful!

12:15:01 From Kristin_Host : Julie - YES the Admin profession is a special one 💕

12:15:04 From Susette_TeamON : 🕒 Time is up, everyone!

12:15:16 From Julie I. : ❤️

12:15:16 From Melissa B - Schaumburg, IL : The one thing I'm grateful for from my mother-in-law! LOL She asked me to be her assistant!

12:15:36 From Susette_TeamON : 🗣️ Share a snippet of your manifesto in the chat – or be bold and share on video!

👋 Use the raise hand button to come off mute.

12:15:38 From Nicki B - Chicago, IL : @Mellisa B wow!! cool

12:15:59 From msimonson : The desire to be needed and know I add value

12:16:10 From Chelsey : My revelation this year is this one: I want: More time for travel and family and the important things in life. Work brings money, but if it isn't fulfilling or satisfying or joyful, it's probably not worth all of the precious time spent on it.

12:16:23 From Brandie - Greenville, NC : I will serve/respond to others in a loving and positive way each day. - My Mission Statement.

12:17:01 From Raschelle Mullette : I want...to not be afraid to take some risk, rather than always being stressed doing the same thing because of the \$\$.

12:17:11 From Lisa Peicich, CSAA Insurance Group : I believe in taking chances. Don't be complacent. Change is growth.
