Apr 27, 12:09 PM

Mary Halvorsen (Guest): Swag gifts for guests and thank you gifts for those who helped!

Apr 27, 12:09 PM

Anita Conrad (Guest): @Meaghann - We had a confetti cannon at our awards event once that the CEO had to have , well...guess who was standing in front of the cannon when it went off.....me!

Apr 27, 12:09 PM

Julia (Guest): Finishing my Game Book either in a binder or OneNote or both.

Apr 27, 12:09 PM

Apr 27, 12:09 PM

Zoila P_ON (Guest): Mary - SWAG! YES!

Apr 27, 12:10 PM

Cas (Guest): Handwritten notes or a small detail depending on what it is. I try to pay attention to what people gravitate to and then have it already there/ready/prepped for the next time/event. Again depends on size of event or what the event is for.

Apr 27, 12:10 PM

Catherine Park (Guest): Agenda - make sure it is actually worth the time of the attendees.

Apr 27, 12:10 PM

Mary Beth (Guest): Correct Venue/Place for the Meeting with extra touches that aren't typically found elsewhere

Apr 27, 12:10 PM

Caroline Odell (Guest): Swag!

Apr 27, 12:10 PM

Tara Persico (Guest): Customized pre-event gift boxes that get attendees psyched about the event are always a hit. Making sure the space itself accommodates different learning styles (visual, auditory, tactile), tall tables, space to move around. And of course plenty of snacks and beverages throughout the day!

Apr 27, 12:10 PM

Sarah_TeamON (Guest): Kellie Edwards you may need to refresh your screen

Apr 27, 12:10 PM

Donna G (Guest): I put pens in nice containers, notepads, and flowers in a vase on the tables. Also, I include housekeeping items in a packet, such as a map of the venue with parking and restroom locations (hey, it's important).

Apr 27, 12:10 PM

Jessica M (Guest): Swag and aesthetics! The venue/office looks amazing, but go next level with desk gifts (plants maybe?), swag bags, and little things like displaying things so that it's a focal point. Gum buffet! Signage! Branding! Get folks excited.

Apr 27, 12:10 PM

Chris Stein (Guest): Also -- prizes!!

Apr 27, 12:15 PM

Mandy True (Guest): I just want to say how much I appreciate this today! I know it should not be expected, but when I go above and beyond, work extra hours, and sacrifice so much, I at least was hoping for a card or even acknowledgment of the day. I received NOTHING ☹️ This webinar really helped to make me feel appreciated today – even without winning a prize! You guys are amazing! THANK YOU!
